* В документах переписи в разных отделах и в целом по области учет некоторых конфессий проводился по различным категориям. Так, в частности протестанты учитываются либо обобщенно, либо в разделении на конкретные конфессии. В некоторых листах иудеи и караимы разведены, в некоторых учитываются в одной графе. В таблице приведены оригинальные значения по архивным материалам. В тех графах, которые в листах отсутствовали проставлены знаки "-"
